

The Four Seasons of the Year: A lesson using QR Codes

Let's begin today's lesson by listening to this fun song! Feel free to dance along with the music.

Begin by exploring the different seasons:

Here is an interactive app,
play along to learn more
about the four seasons
and help save Mother
Nature!

Here you will find
a cool website
explaining why
we have seasons:

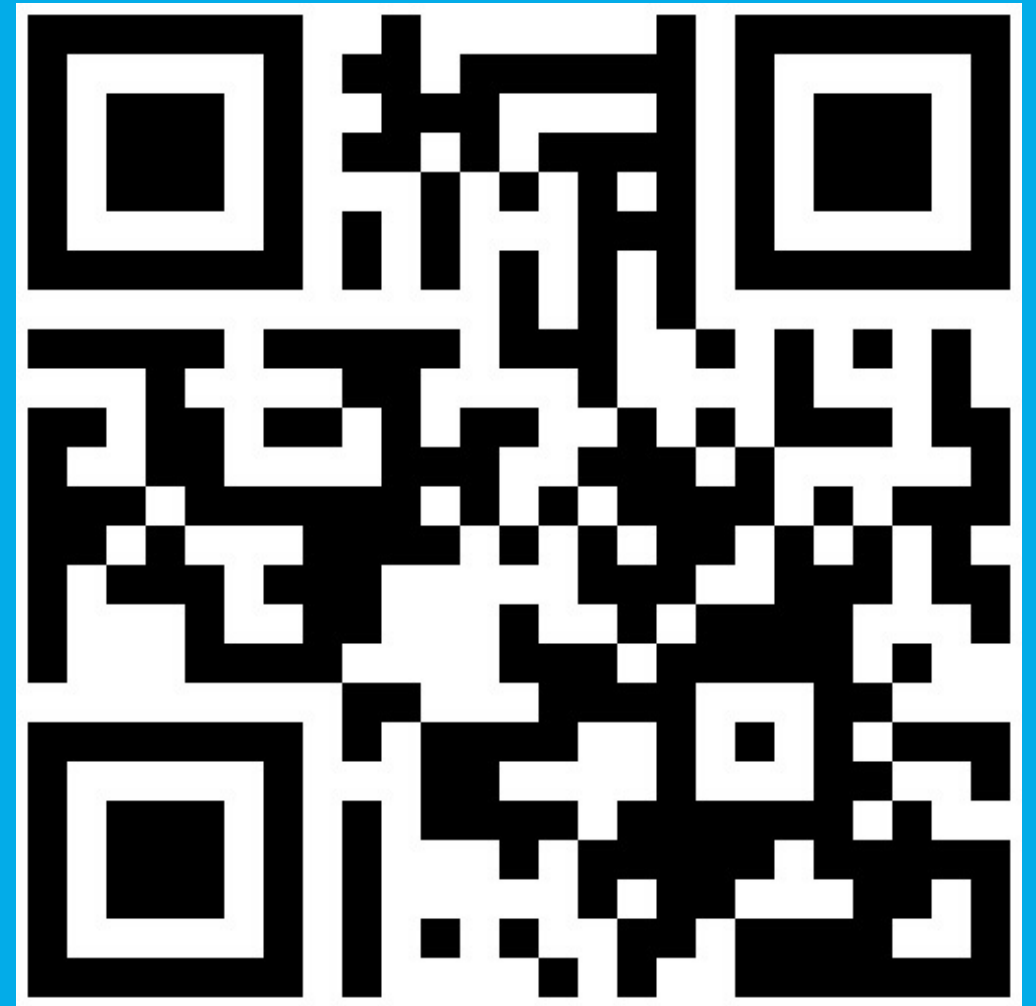

This is the link to another interactive app. Play and learn!

Download the Weather Channel app to keep up to date on the weather now, and the rest of the week!

Helpful recordings
from last class:

Video time lapse of
the four seasons:

Short video
explanation of the four
seasons:

Find out when our
seasons begin and
why:

Fun facts about our
seasons!

Try to answer these questions BEFORE looking at the answer!

Question 1: what is the shortest season of the year?

Question 2: why do we have seasons?

Question 3: What is your favorite season and why? Scan to find out how to answer!
